This division is set up for loser starts after the first game is played.

Example: If visitor team wins the first game, then player order is as dictaded: H1, V1, H2, V2.

If home team wins the first game, then player order is as follows: V1, H1, V2, H2.

Players 1 & 2 are still in the first 2 positions, the order may flip depending on who wins the previous game.
