

## **Round Robin Instructions**

Each match will consist of 5 games.

In Split Leagues:

Games 1 & 2 are 301, games 3 & 4 are Cricket and game 5 is 301.

After all the rounds are played the team with the most wins will take 1st Place, next highest wins 2nd place, and next highest wins 3rd place.

In the case of 2 teams tied, the team that won the head to head match will win the playoff.

If a three way tie, one game of 501 will determine places. Coin up 3 games of 501. Each team will write down the player order using all 4 players, no handicap, 3 captains flip for order, odd coin starts, other 2 teams flip for 2nd, and 3rd position. Team that reaches 0 is the winner, next lowest score is 2nd. If a tie for 2nd, go to head to head match for that place.
